

Dear Store Manager,

I lead a busy lifestyle and don't have a lot of time to prepare well balanced meals, but like to receive maximum nutrition in a FAST, EASY & SIMPLE way.

I am very interested in purchasing products under the brand name of **SUPER SPROUT**.

They are 100% pure, all natural **FRUIT & VEGETABLE Powders** – with 10 flavours in the range.

I would expect to find these products in the **FRESH FRUIT & VEGETABLE section** of the store, as they represent a convenient alternative to fresh produce.

These products simplify a dried version of the fresh produce. They retain their full nutrition in a convenient delivery system of 'powder'. Powdered foods represent endless opportunities for use, with no preparation, mess or waste included.

The **BENEFITS** of these powders means anyone who is time poor, doesn't cook, feeds fussy eaters or is just health conscious, can access real, clean, pure, whole foods at any time and at any speed.

Super Sprout powders provide a simple **SOLUTION** for any person, at any age, to access high nutrition (with low toxins) on a daily basis, to assist in gaining best health outcomes.

APPLICATION ideas include:- any drinks, juices, smoothies, snacks, meals and any recipe ideas.

Help me turn all my food into Super Food!
